VACANCY!

Treasurer to the Friends Committee

There is an exciting position becoming available in October 2016 as The Friend's Treasurer. If you want to get involved with fund raising for your children this is a great opportunity for you. Do you like counting money? Have a head for numbers? Then you could be who we are looking for, being treasurer is a crucial part of the friends. Keeping the books usually takes less than an hour a week, slightly more when an event is happening, everything is laid out and easy to follow. This position could be done as a job share, so if you know a friend who would help so much the better. Joanna Brackley is the current treasurer, if you wish to find out more details, without any commitment at this time her e-mail is joannalbrackley@gmail.com or you can find her in the playground. She will be more than happy to discuss the role with you.
